

Wording on the hanging sign in the photograph

**The
BUTCHERS ARMS
Free House
(UNREADABLE)
FINE ALES
Proprietor
G. HUNT**

The photograph was certainly taken after 1913 as that was the year George took over as licensee following the death of his father, John.

Interestingly, Ellen Hunt was recorded as the owner of the pub at the time of the sale to S.H .Higgs, with her brother, George Hunt, as Licensee.
